

“Air My Show”

Beacon TV is a family entertainment IP (Internet Protocol) television Network based in Canada, broadcasting around the world. We deliver the best in value-based content that is inspiring, life-changing and informative programming that the whole family can watch. *A beacon of hope and inspiration for a world in need* of wholesome family-based content.

We connect with our target audience in a way no other media outlet is able to; providing motivating inspiring experiences, unique original programming that is relevant for all ages, and exclusive content that is not available on other programming services. Beacon TV is uniquely positioned to offer Christian and family entertainment through regular broadcast distribution, as well as through the internet and social media platforms. Beacon is available on your smart devices as well as your large screen TV's.
